To Parents and Teachers,

Recently, there has been some confusion as to the different types of meal accounts that we offer at Aramark for your children to use. There are two types of accounts.

MEAL ONLY ACCOUNT-This account lets your children purchase an entire meal only, which includes milk. This type of account will not allow any purchases of snacks or extra items (including a single carton of milk).

GENERAL ACCOUNT-This account lets your children purchase anything from a full meal to snacks or a single carton of milk.

These different accounts were put in place to protect what purchases the parents wanted their child to be allowed to buy.

The problem that has come up recently is that a child wants to buy a single carton of milk, but the entire amount of their money has been put into the ***MEAL ONLY ACCOUNT***. We are more than happy to move some of the money from the ***MEAL ONLY ACCOUNT*** into the ***GENERAL ACCOUNT*** to accommodate these situations, but the parent must contact us. These two different accounts have been set up to help the parents monitor what their child is purchasing.

If you need any money moved from one account to another, please call Lisa Wiley at (614) 921-7493. If you have any questions or problems, please feel free to contact me at Darby Creek.

It is a pleasure to serve your children and I want to thank you for your understanding in this situation.
